

**\*\*\*\*UST Program GPRA Goals\*\*\*\***

**GPRA Goals and Objectives for the Underground Storage Tank Program apply to the program as a whole. No regional or state goals have been established.**

Two objectives prescribe what is to be accomplished by the year 2005:

1. 370,000 cleanups will be initiated or completed

FY 1999 goal: complete 22,000 cleanups

FY 2000 goal: complete 21,000 cleanups

2. annual number of confirmed releases will not exceed 6,500

FY 1999 goal: expect 27,000 releases

FY 2000 goal: 90% of tanks in compliance

**Region VII's performance with these goals as a function of the tank population is as follows:**

Two objectives prescribe what is to be accomplished by the year 2005:

1. 20,337 cleanups will be initiated or completed (actual = 24,033 thru 3/99)

FY 1999 goal: complete 1209 cleanups (5-yr annual ave. = 775)

FY 2000 goal: complete 1154 cleanups

2. Annual number of confirmed releases will not exceed 357 (releases last complete FY = 1072)

FY 1999 goal: expect 1484 releases (actual = 562 thru 1<sup>st</sup> ½ FY99)

FY 2000 goal: 90% of tanks in compliance; as of 4/30/99:

Iowa 95%+

Kansas 94%

Missouri 79%

Nebraska 83%

Region VII 87% weighted ave.

(expect 90% when end-of-99 reports are received)
